

Additional Services

In addition to our normal publishing program, Fultus provides additional custom services to meet your specific needs, including:

- Interior images
- Editorial services
- Scanning and OCR
- Custom cover design

Do you have special requirements that don't quite fit one of our existing programs? Contact us, and we'll be happy to arrange a **custom publishing program** to meet your needs!

Print On Demand Publishing Services

©2004 Fultus Corporation

The Fultus Advantage

Fultus Publishing (<http://www.fultus.com>) is a Print On Demand and eBook publisher with a focus on customer service.

At Fultus, we believe in putting the author first. We offer:

- **Excellent customer service** – Tired of other publishing companies that won't give you the time of day? Here at Fultus, we respond quickly and clearly to all customer support requests. If you ever have questions or concerns, our experts will be happy to walk you through the publishing process.
- **7-Day Turnaround Time** – Our superior efficiency lets us bring books to market in record time. Here at Fultus, we guarantee that your author proof will arrive at your electronic doorstep in one week or less! Once you approve of your submission, we start delivering print-on-demand copies of your book in a month or less.
- **No hidden costs** – We believe in straightforward, honest pricing. All of our prices and generous author royalties can be found on one simple page. If you have a book ready to publish, our web site can give you an instant, free quote for all of our publishing services.
- **Distribution and marketing** – To help sell your book, all of our print-on-demand publishing programs include extensive worldwide distribution and marketing through major bookstores and Fultus's own Online Book Superstore.
- **Retention of copyright** – You retain all rights to your work when you publish with Fultus.

The Fultus Print On Demand (POD) Program

Our Print On Demand (POD) service means exactly what the name implies: We print books as customers order them. We use state-of-the-art publishing technologies to store and print your book, eliminating the need for large print runs and warehousing and making your work immediately available online to booksellers worldwide.

The Fultus POD Program features:

- **Quick turnaround:** Your electronic author proof arrives in a 7 days or less!
- **Distribution** through the Bowker's Books in Print, Ingram and Baker & Taylor databases and online bookstores including the Fultus Online Book Superstore, Amazon (US and UK), Barnes and Noble and more.
- A **book excerpt** and **author web page** viewable online in the Fultus eLibrary.
- Your choice of **book covers** from a selection of templates.
- **Bookstore-quality** printing on acid-free high quality paper.
- A full-color cover image and author photo.
- ISBN numbers (either you or we can provide them) and Bookland EAN barcode.
- POD publishing in **paperback or hardcover** format.
- **5 (five) author copies** of your book.
